

SHASHANK MADRE

Cybersecurity Analyst | VAPT | Application Security | Ethical Hacking

+91 8806737994 | shashankmadre262@gmail.com | LinkedIn | Pune, India

PROFESSIONAL SUMMARY

Cybersecurity professional with hands-on experience in Web Application Security Testing, VAPT, vulnerability assessment, and security hardening. Skilled in Burp Suite, Nmap, OWASP ZAP, cURL, and Shodan, with practical knowledge of OWASP Top 10, API Security, WordPress, Apache/.htaccess, HTTP/HTTPS, and security headers. Experienced in vulnerability identification, reporting, remediation validation, and security configuration review, with a strong focus on application security and penetration testing.

PROFESSIONAL EXPERIENCE

Cybersecurity / VAPT Intern | Innoway Technology, Pune, India

Jan 2026 – Present

- Performed **Web Application Security Testing and VAPT** using OWASP methodologies and industry-standard security practices.
- Conducted security testing using **Burp Suite, Nmap, OWASP ZAP, cURL, and browser Developer Tools**.
- Identified and validated vulnerabilities including **security misconfigurations, missing security headers, information disclosure, and WordPress security weaknesses**.
- Performed **API security testing**, including request/response analysis, parameter testing, and access-control validation.
- Reviewed **CSP, HSTS, Permissions-Policy, cookies, HTTPS, Apache/.htaccess, and server security configurations**.
- Prepared **VAPT reports**, security checklists, remediation recommendations, and performed post-remediation validation.

TECHNICAL SKILLS

Cybersecurity: Vulnerability Assessment & Penetration Testing (VAPT), Web Application Security, OWASP Top 10, Security Misconfiguration Assessment, Security Headers

Networking: TCP/IP, OSI Model, DNS, DHCP, HTTP/HTTPS, Routing & Switching

Security Tools: Burp Suite, Nmap, OWASP ZAP, Wireshark, Nikto, Gobuster, cURL, Shodan

Systems: Windows 10/11, Windows Server, Linux (Kali Linux, Ubuntu)

Web Technologies: REST API Testing, WordPress Security, SSL/TLS, HTTP Headers, Apache/.htaccess, cPanel, PHP

EDUCATION

B.E. – Information Technology HVPM College of Engineering and Technology | 2020 – 2024 | CGPA: 7.43

12th – Computer Science Jai Bajrang College, Adanda | 2018 – 2020

10th (SSC) Golden Kids School, Amravati | 2017 – 2018

CERTIFICATIONS

- CEH (Certified Ethical Hacker)
- CCNA (Cisco Certified Network Associate)
- CPENT – Certified Penetration Testing Professional

LEADERSHIP & ACTIVITIES

- Cyber Web Club – Coordinator
- NSS – Coordinator
- Surjan Club – Coordinator

ADDITIONAL INFORMATION

- Available for immediate joining
- Open to onsite / hybrid roles
